DATASTAX TRAINING UNITS

Pre-paid training for budget and scheduling flexibility

DataStax offers a comprehensive array of training for our customers and partners. The training is designed to give you the skills you need to use DataStax Enterprise, the always-on data platform, to its fullest extent and maximize your investment.

DataStax Training Units are pre-paid, unit-based credits that offer a flexible and simple way to purchase instructor-led training for your team, allowing for more flexibility and better training budget planning.

DataStax offers both public and private/onsite instructor-led trainings by highly qualified instructors. DataStax Training Units can be used/applied towards either type of class.
